My First Museum

The town of Torino welcomes you with
Medicina a Misura di Donna Foundation
and Abbonamenti Musei
which invite you to discover Art
and grow up with creativity and curiosity.
Because culture is very good for health
from the very first steps.

The historical-artistic heritage belongs to you, the Museum
is your home: from today you are a cultural citizen

The museums I have visited

Have your passport stamped at the ticket office of the Museums you visit and start collecting culture!

Your cultural passport allows **free admission** to the Museum for you,
your parents (or two other people in
your family) from today until your first
birthday.

PRESENT THE QR CODE
at ticket offices of
accredited museums for

The passport is valid every day the museum is open, because the MUSEUM is
yours too and because going there must be a pleasure to share, for life.
